Garvanza Park Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks (Department). In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- Ok to stage at Garvanza Park on 10/21/2019 (see plot plan).
- Ok to stage equipment on the grass area only.
- Not approved to film on-site, be inside of the Recreation Center, on the ball fields or in the parking lot.
- No catering on-site or Crew Parking.
- Ok to have pop-up tents, cables and background holding for staging on the grass areas.
- Fire extinguisher required for generators on site.
- Use of City utilities (water and electricity) is $75 per use, per day. **The company will be invoiced by the Park Film Office once filming is complete.**
- Pyrotechnics, explosions, stunts and special effects may be considered on a case-by-case basis for exterior use only and requires approval by LAFD and the Park Film Office. Any special effects that may cause damage to the interior/exterior of cave integrity are not permitted.
- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.
- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.
- No simulated sex allowed on Park property.
- No nudity allowed on Park property.
- **Film permits do not provide exclusive use of a park or recreation area and includes the use of parking lots.**
- **Notifications signs must be posted at least 24-48 hours prior to filming as a courtesy for the public when requesting a playground area, basketball courts, soccer fields or baseball fields.**
- **Parking must be open and available for public use designated with proper signage by production.**
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
